BOOK DESCRIPTION

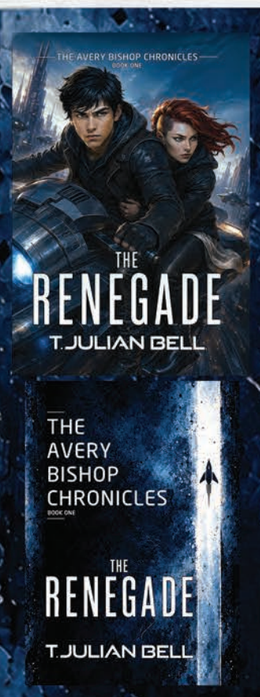

Stuck on a refugee planet on the other side of the universe, Avery is wanted by both sides of a brewing civil war.

With help from a part-time pilot and sometimes thief named Crow, Avery could have a new life if he can stay alive long enough to find it.

But to have any kind of future, he'll first have to face a past he can't fully remember.

It has something to do with monsters, magic powers, a girl named E... and a darkness that hunts him.

THE RENEGADE is the first book in a multi-book series chronicling Avery's adventures.
